

Year 2 Overview for Autumn 1.2

Reading:

Reading common exception words on sight and apply them in writing.
Reading words accurately without over blending.
Reading a range of fiction and non-fiction text and answering questions from it, identifying characters, setting and the plot
Think of their own questions from the text using question words.
Retelling familiar stories and understanding their structure.
Please remember to bring your book bag to school everyday!

Writing:

This half term - children will be looking at 2 different genres.

Instructions - this will be linked to Christmas activities.

Traditional stories : Three Little Pigs, Rama and Sita and nativity stories (Linked to RE).

We will be concentrating on:

- Using capital letters, full stops, question marks and exclamation marks.
- Using powerful adjectives and verbs to make our writing more interesting
- Extending sentences using 'and', 'because' and 'but
- Simple and compound sentences
- Using story language
- Using time connectives.
- Using different sentence openers

Science: This half term we will be continuing to study biology.

Within the topic we will find out about animals and their offspring (including humans). The human life cycle and what is needed in order to survive. The importance of the five senses.

Learning for Life:

Topic: Fire and Light

The children will be making a recycling machine.

They will be using skills such as designing their own machine, making their machine using measuring and joining skills and evaluating their work.

RE: Sharing and being generous

Collective Worship- Being fair and not cheating.

PE:

We will continue to have P.E every Tuesday and Wednesday morning. The children will be looking at gymnastics and attack, defend, shoot skills in their games lessons.
Please make sure they bring their P.E kit on these days.

Numeracy:

We will introduce:

- Odd and even numbers
- Doubling and halving
- Counting forwards in 2s, 5s, and 10s
- Counting backwards in 2s, 5s and 10s
- 10x, 2x and 5x tables
- Addition and subtraction
- Money-recognising and using coins, finding change, addition and subtraction.
- Multiplication and division
- All work will involve problem solving.

Homework: Homework is given out every Friday. The work needs to be completed by the children and returned to school on a Monday.
