Dear Parents/ Carers,

As you will be aware, Highfield are now offering a free school meal for every child in school (Reception – Year 6) for this academic year. We understand that although this is amazing for the wellbeing of our children, there are still some children who would still rather bring a packed lunch. Please confirm your meal preference for the rest of this term, by returning the slip below to your child's class teacher.

A reminder that you can only change your meal preference each half term. If you wish to do so, please ensure that you do this with the office.

Best wishes,

Miss Carney
Deputy Head of School
