Part A: Pupil premium strategy plan

Statement of intent

At Highfield, we believe that all pupils have an equal entitlement and should have an equal opportunity to access all areas of education.

All of our staff and trustees accept responsibility for 'socially disadvantaged' pupils and are committed to meeting their pastoral, social and academic needs within a caring environment. The targeted and strategic use of pupil premium and recovery premium funding will support us in achieving our vision.

We aim to ensure that every pupil who leaves Highfield Junior and Infant School are excited about learning, resilient to setback and determined to succeed. We want to equip them with confidence, resilience and a passion for justice and equality. These qualities will enable them to thrive and to champion kindness and fairness at all stages of their future lives.

- The Pupil Premium will be used to provide additional educational support to improve the progress and to raise the standard of achievement for these pupils;
- The funding will be used to narrow and close the gap between the achievements of non-pupil premium children.
- As far as its powers allow, the school will use the additional funding to address any underlying inequalities between children eligible for Pupils Premium and others;
- We will ensure that the additional funding reaches the pupils who need it most and that it makes a significant impact on their education and lives.
- We will ensure children, who are high achievers, will continue to make progress and reach their fullest potential.

In making provision for socially disadvantaged pupils, we recognise that not all pupils who are eligible for free school meals, (or have been eligible in the last 6 years) are socially disadvantaged and further, some children who experience disadvantaged backgrounds are not eligible for free school meals and thereby do not attract Pupil Premium Funding. It is not uncommon for our families to miss out on qualifying for the Pupil Premium by the smallest of margins. Within the communities that we serve, the difference in income between those classified as disadvantaged and those deemed not disadvantaged is minimal. Therefore, we have a duty to ensure all pupils who have additional needs receive the highest quality of personalised provision which helps them to thrive regardless of their status as disadvantaged or non-disadvantaged.

We also recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals. We therefore allocate Pupil Premium funding to support any pupil or groups of pupils that the school has legitimately identified as being socially disadvantaged.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	There are a number of children that are still not at ARE in particular Writing. Children's understanding of vocabulary needs to develop and children's understanding of writing a main body of text.
2	6 ECTs will be starting this academic year.
3	There are a high number of children facing barriers to their learning. Demand for mentoring is very high. A greater number of families are facing financial hardship and have dealt with extremely difficult personal, emotional challenges. Parents are increasingly reliant on school for high levels of pastoral support. Safeguarding and child protection concerns are high.
4	Attendance has been affected by children remaining out of the country for long periods of time. High level of persistent absence.
5	High pupil mobility throughout school.

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
To achieve national average progress scores in KS2 Reading, Writing and Maths	
Increase in % of disadvantaged children achieving combined at the end of KS2.	Increased number of disadvantaged pupils
To continue in R – Y5 Increase in % of disadvantaged pupils achieving ARE in Reading, Writing and Maths. (Combined)	Increased ARE compared to 21/22 for all pupils and disadvantaged pupils
To ensure the gap between PP and NPP in year one Writing and Maths closes.	There will be no significant gap between PP and NPP pupils in Writing and Maths in year one.
Year one Phonics –Close the gap between disadvantaged pupils and national by a further 3%	Increase number of pupils will achieve the phonic check in year one.
To improve attendance for disadvantaged pupils across school so that it is in line with national for all pupils.	Attendance is inline for national.
To decrease (By 50%) the number of late marks for disadvantaged pupils.	The number of late marks will significantly reduce.

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

Further information (optional)

How will we monitor and implement the strategy?

1. Teaching

Careful planning of PLD and development.

Rigorous monitoring cycle

Senior Leaders timetabled to work 1:1 with identified staff

Senior leaders to work with groups of staff to improve provision in all areas impacting upon pupil progress and outcomes: subject knowledge, planning, teaching, environment

Pupil progress tracking and monitoring.

IPG process and actions

ECT program followed and implemented.

2. Targeted support

Designated staff to target specific individuals and groups.

Precise planning for interventions.

Careful progress tracking to monitor the impact of interventions on disadvantaged pupils and other pupil groups.

Investment in appropriate resources that support the delivery of interventions.

Ongoing high quality PLD provided to staff which also includes targeted support from senior leaders.

Interventions with specific outcomes and reviewed.

3. Wider strategies

Senior leaders in school are all DSL trained and this training is maintained.

The school has a pastoral team who work across the school with identified pupils and groups.

All school staff receive extensive training in all aspects of safeguarding.

A Pastoral hub launched to support parents with engaging in school-life and supporting their children's learning.

Weekly updates on attendance.

Half termly reports for attendance, lates and pastoral support. These are then action planned.

Safeguarding trust lead monitors each term.
